

You Aren't On Facebook...?! ... This Is Why You Should Be!

- **Connect instantly** with what your family is doing! Trust us - they are posting photos and updates on Facebook. No more wondering or waiting for a phone call!
- **Reconnect** with former classmates, friends and co-workers! There's a good chance they are on Facebook!
- **Share** YOUR life updates quickly and easily with friends and family.
- **Send** friends greetings AND get **reminders** so you never miss your loved one's special day!
- **Read** interesting news and magazine articles.
- **See** photos and posts about what's happening in your community.

Did you know....

It's easy to make a Facebook account? You can then log into Facebook from your computer or mobile device.

AND

You can easily manage your privacy settings to keep your personal information private!

Are you interested in attending a future "Getting Started With Facebook" course? We'd love to hear from you!
