

A MESSAGE FROM YOUR KICA Board Chairman

Dear member,

Happy New Year! In this communication, you will find information about KICA's upcoming 2019 Annual Meeting in March. This year, the association will elect two new directors to its board. The association board is comprised of six members elected by the community, and one developer appointed representative. Lynn Morgenstern and Rajan Govindan are completing their terms and will leave the board after the annual meeting. Lynn and Rajan have been invaluable contributors to the community and board, and they both deserve our sincerest appreciation for their outstanding and selfless service.

We have three candidates running to replace them, and their information, along with other supplemental materials, are available for your consideration as you choose the next class of board representatives. In addition to this communication, candidate information can be found in the January issue of Digest, and video interviews are located at kica.us/vote. On behalf of the entire community, I'd like to thank each of them for offering their time, energy and talents to Kiawah. Once you have considered the candidate qualifications, please do participate in the election. It's imperative that we achieve quorum to certify the results.

It has been my honor to serve as your Chairman over the past year, and what a year it has been. The highlight, of course, was the enormously successful reopening of the Sandcastle. The community now enjoys a first class oceanfront facility with incredible views, and we were able to accomplish it without special assessments or taking on any new debt. A more comprehensive "year in review" will be shared once our year-end financial statements and annual audit are completed early next year. In the meantime, please email justask@kica.us with any questions or comments. In closing, I'd like to reiterate the importance of voting in this election, and I hope to see you at the annual meeting.

Sincerely,

Ben Cheatham
KICA Board Chairman
