Fitness Class Descriptions

All-Levels Classes | Complimentary for Members (Unless Noted) | Register at kica.us/login

Barre Fusion	This class combines various disciplines of movements, such as, Barre, Pilates, resistance, training, and stretching. A great way to improve flexibility, balance, proper posture, and movement patterns.
Body Sculpt	This non-aerobic class combines free-weight exercises, stretching, and balance drills for strengthening, toning, and increasing flexibility.
Cardio Fusion Express	This fun and energizing total body training combines cardio, interval and core strength training exercises in a fast paced, up beat 45 minute class.
Core & Strength	A great tummy toner! This combination of Pilates, yoga, core, and bodyweight exercises are used to achieve neutral alignments.
Deep Water Fitness	Deep water fitness is performed in water that submerges the body up to the neck. Having your full body working against the resistance of the water makes the exercises more challenging. You are able to use deep water aerobics exercises to tone your entire body and burn more calories.
Gentle Yoga	A gentle yoga experience for those who want to move at a slower and more zen pace with an emphasis on mindfulness and body awareness.
Let's Dance!	Get fit while learning some fun new dance moves! The Sandcastle welcomes dance instructor, Denise H, who will teach various dance styles including Salsa, Shag, Swing, Ballroom, and popular Line Dances.
Outdoor Boot Camp	A fun way to get fit while enjoying fresh air and sunshine. Various circuits will be set up around the pools and playground to challenge your aerobic capacity, balance, core, range of motion and your brain.
Pilates Express	Pilates Express is a 45 minute full body workout that creates long, lean muscles. This mat-based workout achieves results by using gravity and your body's own resistance
Power Walk	Join our instructor and neighbors for a brisk walk and body weight exercises. Great for all levels.
Simply Stretch	This 45-minute class includes stretches for the entire body with relaxation techniques to promote flexibility and range of motion.
Stretch & Balance	Stretch to promote flexibility and increase range of motion while using bands or balls to improve balance.
Stretch & Relax	Stretch to promote flexibility and increase range of motion while connecting to your breath and quieting your mind.
Total Body Toning	Work your whole body and build stamina and muscle while increasing endurance in this energizing class. It includes a combination of cardio, strength, and core work and improves balance.
Total Package	Emphasizes movement, flexibility, core strength, and balance. Includes aerobic warm-up, followed by strength training, back-friendly exercises, and more.
Tone & Tighten	Class focus is on tightening tummies, lifting seats, and toning thighs. An active stretch will follow to lengthen muscles and bring the body into alignment.
Vin Yin Yoga	This new yoga class combines a flow style vinyasa yoga to build strength and balance followed by a slow and relaxing yin-based stretch to increase flexibility and promote relaxation.
Water Aerobics	Get moving in the pool. This class is great for post-rehabilitative injuries and arthritis.
Weekend Workout	Includes cardiovascular conditioning, strength training, flexibility, balance, and abdominal exercises.
Well Balanced	Low impact exercises performed to increase balance, flexibility, sensory awareness, reflexes, and concentration.
Yoga Flow	A yoga practice of easeful movements, balance, deep stretching, and breath awareness, followed by postures to quiet the mind and bring deep relaxation.
Zumba	Party yourself into shape with Zumba® Fitness! Zumba is an effective, easy-to-follow, Latin-inspired, calorie-burning dance fitness-party™.
