A Historical Introduction

The Kiawah Island Community Association, Inc. was formed in February, 1976 when the original developer, the Kiawah Island Company, Ltd., recorded covenants creating the Association. The original preamble detailed below is included for historical perspective:

WHEREAS, Company is the owner of the real property described in Article II of this declaration and it desires to create thereon a planned development community with a balanced representation of residential commercial and recreational uses to be known as "Kiawah Island".

WHEREAS, Company desires to provide for the preservation of values and for the maintenance of common facilities and services and for a vehicle for the administration and enforcement of covenants and restrictions, and

WHEREAS, Company has caused to be incorporated under the laws of the State of South Carolina, a non-profit corporation, Kiawah Island Community Association, Inc., for the purpose of exercising the functions aforesaid, and which are hereinafter more fully set forth;

In 1977, these covenants were amplified and expanded by title documents that follow in this booklet. Title document also includes changes and clarifications duly approved since 1977 by either the Board of Directors or by formal referendum.

In June, 1988, Kiawah Resort Associates purchased the assets of the Kiawah Island Company, Ltd. and assumed the position of "Company" as defined in the documents.

Declaration of Covenants and Restrictions of The Kiawah Island Community Association, Inc. (KICA Covenants)

THIS DECLARATION, made this 21st day of December, 1977, by Kiawah Island Community Association, Inc., a South Carolina non-profit, non-stock corporation, hereinafter "Association", and Kiawah Island Company Limited, a corporation duly organized and existing under the laws of the Territory of the British Virgin Islands (successor to Kiawah Island Company Inc., which merged with Kiawah Island Company Limited under Articles of Merger recorded the 14th day of December, 1976, in Book C-111, page 213, in the R.M.C. Office for Charleston County, S.C.) hereinafter "Company"; [see An Historical Introduction].

WITNESSETH:

WHEREAS, the Association and Kiawah Island Company, Inc., on or about the 19th day of February, 1976, executed a certain Declaration of Covenants and Restrictions of the Kiawah Island Community Association by instrument recorded in Book T 108, page 337, in the R.M.C. Office for Charleston County, S.C. (hereinafter "Declaration"); and

WHEREAS, a portion of Kiawah Island as described in Article II of the Declaration was subjected to the Declaration as well as certain Restrictions, Affirmative Obligations and Conditions declared by Kiawah Island Company, Inc., by instrument recorded in Book T 108, page 338, in the R.M.C. Office for Charleston County, S.C.; and

WHEREAS, in Section 2 of Article VIII of the Declaration it is provided that the Company reserves the right to amend the Declaration or any portion thereof on its own motion until January 1, 1978, so long as the voting power of the existing members of the Association is not diluted thereby nor the amounts of assessments of such members raised or changed in any manner which would adversely affect such members; and

WHEREAS, the Company, pursuant to the aforesaid authority, by means of this instrument is amending the Declaration so that the same shall contain the terms and provisions and shall read in its entirety as hereinafter set forth, and the Company is also by means of this instrument subjecting additional properties on Kiawah Island to the following Declaration of Covenants and Restrictions of the Kiawah Island Community Association, which said additional property is described on Exhibit "B" to Article II attached hereto and made by specific reference a part hereof;

NOW, THEREFORE, in consideration of the mutual promises herein the Company declares that the real property described in Article II hereof, is and shall be held, transferred, sold, conveyed, given, donated, leased, occupied, possessed, and used subject to the covenants, restrictions, conditions, easements, changes, assessments, affirmative obligations, and liens (hereinafter sometimes referred to as "the Covenants") hereinafter set forth.

ARTICLE I

- (b) "Kiawah Island" shall mean and refer to all the lands in Charleston County, South Carolina, which are shown as a part of Kiawah Island on the Company's Master Development Plan as revised from time to time.
- (c) "Company" shall mean Kiawah Island Company Limited, a corporation duly organized and existing under the laws of the territory of the British Virgin Islands, and its successors and assigns. [see "An Historical Introduction]

- (f) "Multiple-Family Tract" shall mean any unimproved parcel of land located within the Properties, intended for development of attached residential units including townhouse lots for sale, condominiums and apartments. For the purposes of this Declaration, a parcel of land shall not be deemed a "Multiple-Family Tract" until such time as its exact metes and bounds have been surveyed and a plat thereof identifying or designating such property for multiple-family use is made of record and further, shall be deemed to be unimproved until the improvements being constructed thereon are sufficiently complete to be subject to assessment as improved properties.
- (g) "Public or Commercial Site" shall mean any unimproved parcel of land within the Properties, intended for use as a site for improvements designed to accommodate commercial or business enterprises to serve residents of Kiawah Island and/or the public, including but not limited to: rental apartments, business and professional offices; facilities for the retail sale of goods and services; banks and other financial institutions; social clubs; restaurants; hotels, motels, inns; theaters; lounges; indoor recreational facilities; marinas; transportation terminals or stations; automobile parking facilities; and gasoline stations. For the purpose of this Declaration, a parcel of land shall not be deemed a "Public and Commercial Site" until such time as its exact metes and bounds have been surveyed and a plat thereof identifying or designating such property as a public or commercial site is made of record and further,

shall be deemed to be unimproved until the improvements being constructed thereon are sufficiently complete to be subject to assessment as improved properties.

- (h) "Development Unit Parcels" shall mean and refer to those parcels or tracts of land conveyed by the Company to third parties under covenants and restrictions permitting the division of such parcel or tract into smaller land units such as Residential Lots, Multiple-Family Tracts, or Public and Commercial Sites.
- (i) "Unsubdivided Land" shall mean and refer to all land in the Existing Property described in Article II hereof, and additions thereto, as are subjected to this Declaration or any supplemental declaration under the provisions of Article II hereof which has not been subdivided into Residential Lots, Multiple-Family Tracts, Public and Commercial Sites, or Development Unit Parcels, through metes and bounds subdivision plats filed and made of record. For the purposes of this Declaration, the following classifications of Property shall not be deemed "Unsubdivided Land" and shall be expressly excepted from the definition thereof:
 - (1) All lands committed to the Association through express, written notification by the Company to the Association of intent to convey to the Association.
 - (2) All lands designated on the Master Development Plan for intended use, or by actual use, for outdoor recreation facilities; operating farms; woodland, marsh and swamp conservancies; places of worship; community, civic and cultural clubs; libraries; nursery and other schools and instructional centers, and charitable institutions; maintenance areas; road rights of way and drainage easements.
 - (3) All lands designated, in any way, as Common Properties, Restricted Common Properties, or Purchased Common Properties.
- (j) "Family Dwelling Unit" and "Dwelling Unit" shall mean and refer to any improved property intended for use as a single family dwelling, including without limitation any single family detached dwelling, patio home, condominium unit, townhouse unit, or cooperative apartment unit, located within the Properties.
- (k) "Public and Commercial Unit" shall mean and include any improved property which is intended and designed to accommodate public, commercial or business enterprises to serve residents and/or the public, including but not limited to all those enterprises enumerated in subparagraph (g). A parcel of land shall not be deemed to be improved until the improvements being constructed on said parcel are sufficiently complete to be subject to assessment as improved properties.
- (l) "Owner" shall mean and refer to the Owner as shown by the real estate records of Charleston County, South Carolina, whether it be one or more persons, firms, associations, corporation, or other legal entities, of fee simple title to any Residential Lot, Family Dwelling Unit, Multiple Family Tract, Public and Commercial Site, Public and Commercial Unit, Development Unit Parcel, or Unsubdivided Land situated upon the Properties but, notwithstanding any applicable theory of a deed of trust, shall not mean or refer to the mortgagee, his or its successors or assigns, unless and until such mortgagee has acquired title pursuant to foreclosure or a proceeding or deed in lieu of foreclosure; nor shall the term "Owner" mean or refer to any lessee or tenant of an Owner. In the event that there is of record a deed granting one or more parties life estate in any lot or parcel of land within the Properties, the Owner of such lot or parcel of land shall be the holder or holders of the life interest, regardless of who holds the fee interest. In the event that there is of record a long-term contract of sale covering any lot or parcel of

land within the Properties, the Owner of such lot or parcel of land shall be the purchaser under said contract and not the fee simple title holder. A long-term contract of sale shall be one where the purchaser is required to make payments for the property for a period extending beyond nine (9) months from the date of the contract, and where the purchaser does not receive title to the property until such payments are made but the purchaser is given the use of said property.

- (m) "Resident" shall mean and refer to each owner and lessee of a Dwelling Unit who has contracted to reside in Kiawah Island at least nine (9) months each year.

- (p) "Master Development Plan" shall mean and refer to the drawing which represents the conceptual plan for the future development of Kiawah Island. Since the concept of the future development of Kiawah Island is subject to continuous revision and change by the Company, present and future references to the "Master Development Plan" shall be references only to the latest revision thereof.
- (q) "Intended for Use" shall mean the use intended for various parcels within the Properties as shown on the Master Development Plan of Kiawah Island, or the use to which any particular parcel of land is restricted by covenants expressly set forth or incorporated by reference in deeds by which the Company has conveyed the property.
- (r) "Common Properties" shall mean and refer to those tracts of land with any improvements thereon which are deeded or leased to the Association and designated in such deed or lease as "Common Properties". The term "Common Properties" shall also include any personal property acquired by the Association if said property is designated a "Common Property". All Common Properties are to be devoted to and intended for the common use and enjoyment of the owners, residents, and their guests, and visiting members of the general public (to the extent permitted by the Board of Directions of the Association) subject to the fee schedules and operating rules adopted by the Association, provided, however, that any lands which are leased by the Association for use as Common Properties shall lose their character as Common Properties upon the expiration of such Lease. Common Properties shall not include those tracts of land falling within the definitions of "Restricted Common Properties" or "Purchased Common Properties" set forth below.
- (s) "Restricted Common Properties" shall mean and refer to those tracts of land with any improvements thereon which are actually deeded or leased to the Association and designated in such deed or lease as "Restricted Common Properties". All Restricted Common Properties are to be devoted to and intended for the common use and enjoyment of "Residents" and Type A members of the Association, as defined in Section 2 of Article III, guests accompanying such Residents or members and the Company. All use of Restricted Common Properties shall be subject to the fee schedules and operating rules adopted by the Association. Any lands which are leased by the Association for use as Restricted Common Properties

shall lose their character as Restricted Common Properties upon the expiration of such lease.

- (t) "Purchased Common Properties" shall mean and refer to those tracts of land with any improvements thereon acquired by the Association, and designated in the deed therefor as "Purchased Common Properties". Purchased Common Properties are to be devoted to and intended for the common use and enjoyment of Type A Members of the Association.
- (u) "Referendum" shall mean and refer to the power of all or some specific portion of the Members to vote by mailed ballots on certain actions by the Board of Directors of the Association more particularly set forth herein including without limitation, whether the Association shall accept any offer by the Company to convey to the Association any "Purchased Common Properties", the levy of any Special Assessment; the increase of the maximum annual assessment in excess of that provided for herein, and the addition of functions or services which the Association is authorized to perform. In the event fifty-one percent (51%) or more of the votes actually returned to the Association within the specified time shall be in favor of such action, the Referendum shall be deemed to "pass", and the action voted upon will be deemed to have been authorized by the Members; provided, however, that in each instance where a higher percentage is required to "pass", that higher percentage shall control in that instance.
- (v) "Of Record" shall mean recorded in the Register of Mesne Conveyance of Charleston County, South Carolina.
- (w) "Neighborhood Area" shall mean and refer to areas designated as neighborhoods on the Master Development Plan and subdivision plats of Kiawah Island.

ARTICLE II

The Property

Section 1: Existing Property

The real property which is and shall be held, transferred, sold, conveyed, given, donated, leased, possessed, and occupied subject to these covenants is described as follows:

All that tract or parcel of land, situate, lying and being in Charleston County and the Town of Kiawah Island, South Carolina, which is more particularly described in Exhibit A and Exhibit B attached hereto and by specific reference made a part hereof.

All of the real property hereinabove described shall sometimes be referred to herein as the "Existing Property". The Company intends to develop the existing property in accordance with a Master Development Plan prepared in its Planning Department and placed on display in its reception and sales office, and other areas. The Company reserves the right to review and modify the Master Development Plan at its sole option from time to time based upon its continuing research and design program. The Master Development Plan shall not bind the Company, its successors and assigns to adhere to the Master Development Plan in the development of the land shown thereon.

Subject to its right to modify the Master Development Plan as stated herein, the Company shall convey to the Association properties designated for such conveyance in its periodically revised publication KIAWAH ISLAND PROPERTY BUYER'S GUIDE, or other such document or publication hereafter designated by the Company, and, in addition, may at its option convey to the Association as provided in Article IV those parcels of land designated on the Master Development Plan as properties which may be transferred to the Association, as, in the reasonable exercise of its discretion, it so chooses without regard to the relative location of such portions or sections within the overall plan. Once conveyed to the Association, these properties shall become Common Properties, Restricted Common Properties, or Purchased Common Properties, as the case may be. The Company shall not be required to follow any predetermined sequence or order of improvements and development; and it may bring within the plan of these covenants additional lands, and develop the same before completing the development of the Existing Property. Other than as stated in this paragraph, the Company shall have the full power to add to, subtract from or make changes in the Master Development Plan regardless of the fact that such actions may alter the relative maximum potential voting strength of the various types of membership of the Association.

Section 2: Additions to Existing Property

Additional lands may become subject to this Declaration in the following manner:

- (a) Additions. Until January 1, 2016, the Company, its successors, and assigns, shall have the right, without further consent of the Association, to bring within the plan and operation of this Declaration any property which is contiguous or nearly contiguous to Kiawah Island if acquired by the Company prior to January 1, 2016, including, but not limited to, all that property described in a Warranty Deed from Ronald D. Royal, et al to Coastal Shores, Inc. dated February 15, 1974, and of record in Book U-103, at pages 265 et seq. provided such property consists of all or portions of the properties identified as parcels 2, 3, 4, 5, 6, 11, 12A or 12B on Exhibit 1.3 of the Development Agreement between the Town of Kiawah and Kiawah Resort Associates, LP entered on October 12, 2005 recorded in the RMC Office for Charleston County at Book Z558, Page 004. For all other properties contiguous or nearly contiguous with Kiawah Island, the Company, its successors, and assigns shall have the right to add such properties only if there has been prior approval of the addition by a simple majority vote of the members present at

a duly called meeting of the membership. *(as amended 6-1-2006)*

Such property may be subjected to this Declaration as one parcel or as several smaller parcels at different times. The additions authorized under this and the succeeding subsections, shall be made by filing a Supplementary Declaration of Covenants and Restrictions with respect to the additional property which shall extend the operation and effect of the Covenants and Restrictions of the Declaration to such additional property. *(as amended 6-1-2006)*

The Supplementary Declaration may contain such complementary additions and/or modifications of the covenants and restrictions contained in this Declaration as may be necessary or convenient, in the sole judgment of the Company, to reflect the different character, if any, of the added properties and as are not inconsistent with the plan of this Declaration, but such modifications shall have no effect on the property described in Section 1, of this Article II.

- (b) Other Additions. Upon approval in writing of the Association pursuant to simple majority of the vote of those presents at a "duly called meeting", as defined in Article III, Section 6, the owner of any property who desires to add it to the plan of these covenants and to subject it to the jurisdiction of the Association, may file or record a Supplementary Declaration of Covenants and Restrictions with respect to the additional property which shall extend the operation and effect of the covenants and restrictions of the Declaration to such additional property.

The Supplementary Declaration may contain such complementary additions and/or modification of the covenants and restrictions contained in this Declaration as may be necessary or convenient, in the judgment of the Association, to reflect the different character, if any, of the added properties and as are not inconsistent with the plan of this Declaration, but such modification shall have no effect on the property described in Section 1, of this Article II.

- (c) Mergers. Upon merger or consolidation of the Association with another association, corporation, or organization, as provided for in the Bylaws of the Association, its property rights and obligations may, by operation of law, be transferred to another surviving or consolidated association, or in the alternative, the properties, rights, and obligations of another association may, by operation of law, be added to the properties of the Association as the surviving corporation pursuant to a merger. The surviving or consolidated association may administer the existing property, together with the covenants and restrictions established upon any other properties, as one plan. No merger or consolidation shall affect any revocation, change, or addition to the covenants established by this Declaration within the Existing Property including, without limitation, the maximum limits on assessments and dues of the Association, or any other matter substantially affecting the interests of Members of the Association.
- (d) Additional lands which become subject to this declaration under the provisions of this Section II may in the future be referred to as a part of Kiawah Island.

ARTICLE III

Membership and Voting Rights in the Association

Section 1: Membership

Every Owner except Owners which are exempt from the payment of assessments shall be a Member of the Association. ~~The Company shall be a Member of the Association.~~ The Company shall be a Member of the Association to the extent it qualifies and is acting as a Type A, B, C or D Member.

Section 2: Voting Rights

The Association shall have four types of regular voting membership ~~and one type of special voting membership which provides the Company with the power to elect a single member of the Board of Directors: (as amended 6-1-2006)~~

TYPE A: Type A Members shall be all Owners (including the Company) of Residential Lots and Family Dwelling Units. A Type A Member shall be entitled to two votes for each Family Dwelling Unit which he owns. An owner of a Residential Lot upon which a Family Dwelling Unit has not been constructed shall be entitled to one vote for each Residential Lot he owns.

TYPE B: Type B Members shall be all those Owners (including the Company) of platted Public or Commercial Sites and Multiple-Family Tracts. A Type B Member's total annual assessment will be divided by the amount of the annual assessment for a Residential Lot to determine the number of votes to which the Type B Member is entitled, with any fraction of 1/2 or greater rounded off to the next highest number. *(as amended 12-15-1988)*

TYPE C: Type C Members shall be all those Owners (including the Company) of the Public and Commercial Units. A Type C Member's total annual assessment will be divided by the amount of the annual assessment of a Residential Lot to determine the number of votes to which the Type C Member is entitled, with any fraction of 1/2 or greater rounded to the next highest number. *(as amended 12-15-1988)*

TYPE D: Type D Members shall be all those Owners (including the Company) of the Unsubdivided Lands and Development Unit Parcels held and intended for future development by the Company or a third party. A Type D Member's total annual assessment will be divided by the amount of the annual assessment of a Residential Lot to determine the number of votes to which the Type D Member is entitled, with any fraction of 1/2 or greater rounded to the next highest number. *(as amended 12-15-1988)*

~~A.—TYPE E: The Type E Member shall be the Company. The Type E Member shall be entitled to appoint a single member of the Board of Directors and shall not cast Type A votes for the election of other members of the Board of Directors. (as amended 6-1-2006)~~

Payment of special assessments shall not entitle Type A, B, C, or D Members to additional votes.

When any property entitling the Owner to Membership as a Type A, B, C, or D Member of the Association is owned of record in the name of two or more persons or entities, whether fiduciaries, joint tenants, tenants in common, tenants in partnership or in any other manner of joint or common ownership, such joint owners shall share among them the right to vote, which such right shall be exercised as a whole, and not in part, in the manner which they shall jointly determine; and if such joint owners fail to determine the manner in which their vote should be cast, their vote shall not be counted. When one joint owner signs a proxy or purports to vote for

his or her co-owners, such vote shall be counted and bind all. The principles of this paragraph shall apply, insofar as possible, to the execution of proxies, waivers, consents or objections and for the purpose of ascertaining the presence of a quorum. *(as amended 5-28-1981)*

The voting rights of any Owner may be assigned by said Owner to his lessee by giving written notice to the Secretary of the Association; provided, however, that the Owner may not assign to such lessee any vote or votes not attributable to the property actually leased by such lessee.

The Type A, B, C, and D Members are sometimes hereinafter collectively referred to as the "Members".

Section 3: Governance

The Association shall be governed by a Board of Directors consisting of Three (3), Five (5), Seven (7), Nine (9), or Eleven (11) Members. Initially, the Board shall consist of Three (3) Members, with the number in subsequent years to be determined by the members of the Board of Directors as provided for in the Bylaws of the Association.

Section 4: Election of the Board of Directors

- (a) Each member of Types A, B, C and D Membership classes shall be entitled to as many votes as equals the number of votes he is entitled to, based on his ownership of or tenancy in one or more of the various classifications of property as computed by the formula set out in Section 2 hereof, multiplied by the number of directors to be elected by Types A, B, C and D Members. Members may cast all of such votes for any one director or may distribute them among the number to be elected by Types A, B, C and D Members, or any two or more of them, as he may see fit, provided, however, that all votes must be cast in whole numbers and not fractions thereof. This right, when exercised, is termed Cumulative Voting. Members are divided into classes for the sole purpose of computing voting rights and shall not vote as a class. *(as amended 6-1-2006)*
- (b) All the Association's Directors ~~but one~~ shall be elected by the Members of the Association; ~~however, the Type E Member shall not cast Type A votes.~~ *(as amended 6-1-2006)*

~~The Board of Directors shall be elected in part by the Type A, B, C and D Members, and in part by the E Member. The Board of Directors shall be elected by the Type A, B, C and D Members.~~ The percentage of directors to be elected by Type A, B, C and D Members shall be equal to the percent of the cumulative maximum number of lots and dwelling units authorized in Kiawah Island by the zoning authorities of ~~Town of Kiawah Island~~ Charleston County, South Carolina, which have been sold and conveyed to purchasers. ~~Provided, however, the Type E Member shall be entitled to elect no less than a majority of the Board of Directors until such time as eighty per cent (80%) of the cumulative maximum number of authorized lots and dwelling units have been sold to Type A Members. The Type A, B, C and D Members shall elect the remainder. Subsequent to the sale of eighty per cent (80%) of the cumulative maximum number of authorized lots and dwelling units, the Type A, B, C and D members shall elect a percentage of the Board of Directors equal to the percentage of cumulative maximum number of dwelling units and lots owned by Type A Members; the Type E Members shall elect the remainder.~~ For the purposes of this formula, the number of lots and dwelling units owned by Type A Members and the cumulative maximum number of lots and dwelling units authorized shall be determined annually by the Board of Directors as of the date on which notice of the meeting of the Members at which the Board of Directors is to be elected is mailed.

~~It is the intent of this subparagraph (b) that the right to elect a majority of the members of the Board of Directors shall pass from the Company (Type E Member) to the Type A, B, C and D Members at such times as in excess of eighty per cent (80%) of the cumulative maximum number of lots and dwelling units or dwelling unit equivalents authorized in the Property by the zoning authorities of Town of Kiawah Island Charleston, South Carolina, are owned by Type A Members.~~

Section 5: Members to Have Power of Referendum in Certain Instances

Where specifically provided for herein, the Members, or some specific portion thereof, shall have the power to approve or reject certain actions proposed to be taken by the Association by Referendum including, without limitation, whether the Association shall accept any offer by the Company to convey to the Association any "Purchased Common Properties", and implement the applicable Amenity Assessment as provided in Article V, Section 5 hereof, the increase of maximum assessments by the Association in excess of those increases authorized herein, the levy by the Association of any Special Assessment, and the addition of functions or services which the Association is authorized to perform. In the event fifty-one percent (51%), or more, of the votes actually returned to the Association within the specified time shall be in favor of such action, the Referendum shall be deemed to "pass" and the action voted upon will be deemed to have been authorized by the Members; provided, however, that if a higher percentage vote required to "pass" shall be specifically expressed herein, that higher percentage shall control in that instance. The Board of Directors may not undertake any action requiring a Referendum without complying with the provisions therefor. At any time that the A, B, C and D Members have the ability to elect a majority of the Board of Directors, the Members may require a referendum on any action of the Board of Directors by presenting to the secretary of the Board within thirty (30) days of the taking of such action or ratification by the Board of its intent to take such action a petition signed by not less than twenty-five per cent (25%) of the Members. *(as amended 5-31-1984)*.

Section 6: Quorum Required for Any Action Authorized at Regular or Special Meetings of the Association Corporation

The quorum required for any action which is subject to a vote of the Members at an open meeting of the Association (as distinguished from the Referendum) shall be as follows:

The first time a meeting of the Members of the Association is called to vote on a particular action proposed to be taken by the Association the presence at the meeting of Members or proxies entitled to cast fifty-one percent (51%) of the total vote of the Membership shall constitute a quorum. If the required quorum is not present at any such meeting, a second meeting may be called subject to the giving of proper notice and there shall be no quorum requirement for any such second meeting. Unless otherwise provided, any reference hereafter to "votes cast at a duly called meeting" shall be construed to be subject to the quorum requirements established by this Article III, Section 6, and any other requirements for such "duly called meeting" which may be established by the Bylaws of the Association. This provision shall not apply when the proposed action is the amendment to this Declaration and the quorum requirement established by Article VIII, Section 2 shall govern in that instance; nor shall this provision apply as to assessment actions, in which case the quorum requirement established by Article V, Section 8 shall govern. For the purpose of this section, "proper notice" shall be deemed to be given when posted to the last known address of each Member not less than thirty (30) days prior to the date of the meeting at which any proposed action is to be considered. *(as amended 5-18-1989)*

Section 7: Proxies

All Members of the Association may vote and transact business at any meeting of the Association by Proxy authorized in writing, provided, however, that Proxy authorization shall not be required for any action which is subject to a Referendum, in which case the votes of all the Members polled shall be made by specially provided ballots mailed or delivered to the Association.

Section 8: Ballots by Mail

When required by the Board of Directors, there shall be sent with notices of regular or special meetings of the Association, a statement of certain motions to be introduced for the vote of the Members and a ballot on which each Member may vote for or against the motion. Each ballot which is presented at such meeting shall be counted in calculating the quorum requirements set out in Section 6 of this Article III. Provided, however, such ballots shall not be counted in determining whether a quorum is present to vote upon motions not appearing on the ballot.

Section 9: Electronic Communications

Notwithstanding any other provision in this Declaration, the board, in its discretion, may approve the use of electronic communication methods in place of or in conjunction with writings, mailings, and other forms of communication described in or required by this Declaration to accomplish voting, notices, proxies, ballots, referenda, and other similar actions described in or required by this Declaration, if (1) the board determines that the electronic method is reliable, (2) accurate contemporaneous records are maintained that document the communication and action, (3) the rights of the Company and the Members established by this Declaration are preserved, and not impaired or lessened by the method, and (4) that reasonable safeguards are in place to preserve the integrity of the vote, notice or other action. The board's approval of this additional or alternative method of communication shall be accomplished by resolution and documented in its meeting minutes.

ARTICLE IV

Section 1: Members' Easements of Enjoyment in Common Properties

Subject to the provisions of these covenants, the rules and regulations of the Association, and any fees or charges established by the Association every Type A, B, C, D and E Member and every guest and tenant of such Type A, B, C, D and E Member shall have a right of easement of enjoyment in and to the Common Properties and such easement shall be appurtenant to and shall pass with the title of every Residential Lot, Family Dwelling Unit, Multiple Family Tract, Public and Commercial Site, Public and Commercial Unit, or Development Unit Parcel.

Employees of the ~~Type E Member Company~~ shall have access to and enjoyment of the Common Properties subject to rules and regulations and user fees established by the Board of Directors.

A Member's spouse and children who reside with such Member in "Kiawah Island" shall have the same easement of enjoyment under this Section as a Member, and in those instances where a lot or dwelling unit or other property in "Kiawah Island" is owned or occupied as a Tenant by two (2) or more persons (who do not have the relationship of spouse, parent, or child, one to the other) or by a corporation, or partnership, such joint owners, the principal officers of such a corporation, and the partners of such a partnership shall also have the same easement of enjoyment under this Section as a Member.

Section 2: Members' and Residents' Easements of Enjoyment in Restricted Common Properties

Subject to the Provisions of these covenants, the rules and regulations of the Association, and any fees or charges established by the Association, every Type A Member, but not Type B, C, or D Members, and every lessee Resident and Company employee have a right and easement of enjoyment in and to the Restricted Common Properties and such easement shall be appurtenant to and shall pass with the title of every Residential Lot and Family Dwelling Unit.

A Type A Member's spouse and children who reside with such Member in "Kiawah Island" shall have the same easement of enjoyment under this Section as a Member, and in those instances where a lot or dwelling unit or other property in "Kiawah Island" is owned or occupied as a Tenant by two (2) or more persons (who do not have the relationship of spouse, parent, or child, one to the other) or by a corporation, or partnership, such a joint owners, the principal officers of such a corporation, and the partners of such a partnership shall also have the same easement of enjoyment under this Section as a Type A Member.

Section 3: Change from Restrictive Common Property to Unrestricted Common Property

By an affirmative vote of **at least** seventy-five per cent (75%) of the votes cast at a meeting of the Association called for the purpose of voting on such proposal, a "Restricted Common Property" may be changed into an unrestricted "Common Property".

Section 4: Title to Common Properties and Restricted Common Properties

The Company covenants for itself, its successors, and assigns, that it shall convey to the Association, at no cost to the Association, by deed or lease of ninety-nine (99) years, those parcels of land and facilities described in Section 7 of this Article IV hereof, within two (2) years after the Company has completed improvements thereon, if such be required, such that the Facility is functionally complete. The Association shall immediately become responsible for all maintenance, operation and such additional construction of improvements as may be authorized by the Association's Board of Directors subject to the Declaration of Rights, Restrictions, Affirmative Obligations, and Conditions Applicable to All Property in "Kiawah Island". It is the purpose of this provision to provide that the Association shall be responsible for all maintenance of Common Properties and Restricted Common Properties upon which all improvements required to be made by the Company have been completed, notwithstanding the fact that the Company is not obligated to convey or lease such properties to the Association until two years after such improvements have been completed thereon.

Natural areas, trail areas, etc., shall be conveyed in large or small parcels from time to time after the Company has completed the surveying and platting of all adjacent subdivisions for single family detached and Patio Home housing areas, multiple family tracts or public and commercial sites which may abut such natural areas, trail areas, etc. The Company covenants for itself, its successors and assigns, that it shall convey by deed to the Association all such properties within two (2) years of notification to the Association, in writing, of its intent to convey such properties, provided, however, that in the case of Common Properties or Restricted Common Properties, upon which improvements are required to be made by the Company, such notification of "intent to convey" shall not be deemed to be made until such time as the improvements have been completed such that the facility is functionally complete. Such notification will not normally show metes and bounds and, in any event, the metes and bounds as shown on the recorded plat and deed to the Association shall govern. All said parcels of land may be conveyed to the Association subject to:

- (1) all restrictive covenants of record at the time of conveyance;
- (2) all existing mortgages; and
- (3) a reservation by the Company of the right to substitute or add new mortgages thereon, provided however, that in no event shall the Association be obligated to assume the payment of principal or interest on any such mortgages.

The obligation to make payments of principal and interest in accordance with their due dates on all mortgages affecting property conveyed to the Association except mortgages on Purchased Common Properties (as described hereinbelow in Section 4 of this Article IV) shall continue to be the sole obligation of the Company or any Affiliate, Successor or Assign of the Company as the case may be. Notwithstanding anything in the foregoing to the contrary, the Company shall not be required to convey the above referred to parcels where such conveyance would be prohibited under agreements existing on the date hereof or hereafter but, in such case, shall be allowed to postpone such conveyance, without penalty, until such time as said prohibition may be nullified.

Section 5: Purchased Common Properties

Subject to the provisions of these covenants, the rules and regulations of the Association, and any charges established by the Association, every Type A Member shall have a right and easement of enjoyment in and to any property now or hereafter designated "Purchased Common Properties" pursuant to this Declaration. A Type A Member's spouse and children who reside with such Type A Member in "Kiawah Island" shall have the same easement of enjoyment under this Section as a Type A Member.

In those instances where a lot or dwelling unit or other property in "Kiawah Island" is owned or occupied as a Tenant by two (2) or more persons (who do not have the relationship of spouse, parent, or child, one to the other) or by a corporation, or partnership, such joint owners, partnerships, and corporations shall annually appoint one (1) person as the "Primary Member." Such Primary Member shall have the same easement of enjoyment in the Purchased Common Properties as Members who own or occupy such property singularly. Each of the remaining joint Members or Tenants, other principal officers of such corporations, or partners of such partnership shall be entitled to an easement of enjoyment in the Purchased Common Properties by (1) paying to the Association annually an amount equal to the annual assessment charged against the property so owned, or in the alternative (2) should user fees be deemed appropriate, by payment of applicable user fees, and conforming to rules, regulations and other criteria approved by the Board of Directors for the particular Purchased Common Property. *(as amended 5-9-1990)*

"Purchased Common Properties" may be acquired by the Association when such acquisition and the concomitant Amenity Assessment are approved by a Referendum of Type "A" Members. Any debt incurred in acquiring Purchased Common Properties by the Association may be paid over a period not to exceed twenty years from receipts of Annual Assessment, Special Assessments, and/or Amenity Assessments. *(as amended 5-31-1984)*

Purchased Common Properties may be offered to the Association by the Company subject to acceptance of title thereto by the Association and implementation of an additional assessment (herein "Amenity Assessment") to fund the continued operation thereof. Purchased Common Properties may be offered to the Association subject to such restrictions, limitations, and reservations as are stated in the offering and submitted to the Association as part of the Referendum. The Amenity Assessment shall initially be established by the Board of Directors of the Association at an amount that the Board deems sufficient to fund the continued operation and maintenance of the Purchased Common Property, which assessment shall commence as to all Type "A" Members responding to the mail Referendum in which the Association accepts title to the Purchased Common Property. The Amenity Assessment for Purchased Common Property shall be established by the Board of Directors for each succeeding year but shall not be increased by more than ten percent (10%) over the previous year, or by the percentage increase between the first month and the last month of an annual assessment period in the Consumer Price Index for All Urban Consumers (1967 = 100) issued by the U.S. Bureau of Labor Statistics whichever of these two percentage figures is larger, except that the Amenity Assessment for the Recreation Center and its related facilities at 1 Shipwatch Road shall not be increased more than five percent (5%) per annum, starting with the year 2001. The Amenity Assessment may be increased above the stated maximum by approval of a majority of the votes of the Type "A" Members responding to a mail Referendum, which increase in the maximum Amenity Assessment, if approved, shall be effective for all subsequent years and shall thereafter increase each subsequent

year as stated herein above. *(as amended 1-1-2001)*

The Association may not accept title to any Purchased Common Property without implementing an Amenity Assessment sufficient to provide funding for the continued maintenance and operation of the facility, unless the Board of Directors shall first determine that adequate funding can be provided from Annual Assessments to provide for the continued operation and maintenance of the Purchased Common Property without detrimentally affecting existing operations of the Association. *(as amended 5-31-1984)*

The Amenity Assessment shall be levied against Type "A" Members only. Purchased Common Properties may, in the discretion of the Board of Directors, be restricted to the exclusive use of Type "A" Members, or other persons may be permitted to use the facility subject to such rules and regulations as the Board of Directors may promulgate. The Board of Directors may establish initiation fees and user fees as the Board of Directors may in its discretion so determine. *(as amended 5-31-1984)*

Section 6: Extent of Members' Easements

The rights and easements of enjoyment created hereby shall be subject to the following:

- (a) The right of the Association, in accordance with its By-Laws, to borrow money from the Company or any lender for the purpose of improving and/or maintaining the Common Properties, Restricted Common Properties and Purchased Common Properties, and providing services authorized herein and in aid thereof to mortgage said properties; and
- (b) The right of the Association to assume and pay any liens or encumbrances against the Purchased Common Property at the time of conveyance; and
- (c) The right of the Association to take such steps as are reasonably necessary to protect the above-described properties against foreclosures; and
- (d) The right of the Association, to suspend the rights and easements of enjoyment of any Member or Tenant or Guest of any Member for any period during which the payment of any assessment against property owned by such Member remains delinquent, and for any period not to exceed sixty (60) days for any infraction of its published rules and regulations, it being understood that any suspension for either non-payment of any assessment or a breach of the rules and regulations of the Association shall not constitute a waiver or discharge of the Member's obligation to pay the assessment, and provided that the Association shall not suspend the right to use any roads belonging to the Association subject to the rules, regulations and fees, if any established by the Association for such use.
- (e) The right of the Association to charge reasonable admission and other fees for the use of the Common Properties, Restricted Common Properties and Purchased Common Properties, and any facilities included therein, including the right of the Association, to charge a reasonable toll for the use of any roadways belonging to the Association, provided, however, that such rights of the Association shall not be construed to impair or qualify an Owner's rights of ingress and egress to his property.
- (f) The Board of Directors of the Association shall have full discretion to determine the amount of the fee or toll for use of any roadway it may own, provided, however, that such fee or toll shall be limited to an amount which generates sufficient sums to cover the cost of the operation of entry control security stations; to repair, rehabilitate, resurface and otherwise maintain said roadways, to provide for the maintenance and clean-up of the right-of-ways; to provide drainage along said roadways; to provide for motorized security patrols and to provide such other roadway maintenance or services as the Association shall deem desirable. The Board of Directors of the Association shall further have the power to place any reasonable restrictions upon the use of the Association's roadways, subject to an

Owner's or Resident's right of ingress and egress, including, but not limited to the types and sizes of vehicles permitted to use said roads, the maximum and minimum speeds of vehicles using said road, all other necessary traffic and parking regulations, and the maximum noise levels of vehicles using said roads. The fact that such restrictions on the use of the roads shall be more restrictive than the laws of any state or local government having jurisdiction over the Properties shall not make such restriction unreasonable. This paragraph (f) establishes maximum fees which may be charged for road entry and use of roads. The Board of Directors of the Association may supplement, with an allocation of a portion of the receipts from the annual assessment, the funds (if any) received from road use fees or tolls, to carry out the functions and activities as described in this paragraph (f).

- (g) The right of the Company or the Association by its Board of Directors to dedicate or transfer to any public or private utility, utility or drainage easements on any part of the Common Properties, Restricted Common Properties, and Purchased Common Properties.
- (h) The right of the Association to give or sell all or any part of the Common Properties and Restricted Common Properties, including lease-hold interest, to any public agency, authority, public service district, utility or private concern for such purposes and subject to such conditions as may be agreed to by the Members, provided that no such gift or sale or determination as to the purposes or as to the conditions thereof shall be effective unless such dedication, transfers and determinations as to purposes and conditions shall be authorized by the affirmative vote of at least three-fourths (3/4) of the votes cast at a duly called meeting of the Association, subject to the quorum requirements established by Article III, Section 6, and unless written notice of the meeting and of the proposed agreement and action thereunder is sent to every Member of the Association at least thirty (30) days prior to such meeting. A true copy of such resolution together with a certificate of the results of the vote taken thereon shall be made and acknowledged by the Chair~~President~~ or Vice Chair~~President~~ and Secretary or Assistant Secretary of the Association and such certificate shall be annexed to any instrument of dedication or transfer affecting the Common Properties or Restricted Common Properties prior to the recording thereof. Such certificates shall be conclusive evidence of authorization by the membership.
- (i) The rights of reversion of the Lessor of any Common Properties or Restricted Common Properties leased by the Association upon expiration of the lease.

Section 7 [sic "6" in original recorded document] [Conveyance by Deed or Lease]

The Company covenants for itself, its successors, and assigns, that, prior to 2016, it shall convey to the Association, by deed, ninety-nine (99) year lease, or other instruments sufficient to convey to the Association the full beneficial use for ninety-nine (99) years, those properties designated on the Company's Master Development Plan as "Common Properties" or "Restricted Common Properties", including the properties listed below. Such conveyance shall be subject to all the restrictions and limitations of the various Articles of this Declaration and any other restrictions and limitations of record and shall include the following:

- (a) As Common Properties. There shall be conveyed to the Association without charge by the Company and the Association shall accept title to the following:
 - (1) Any private community roads and rights of way thereof within the properties which connect Residential Lots, Family Dwelling Units, Multiple Family Tracts, and Public or Commercial Sites or Units, and Development Unit Parcels, to public roads or highways.
 - (2) All bike trails not contained, or designated on the Master Development Plan to be contained, within a Public or Commercial Site, Multiple Family Tract or Development Unit Parcel.
 - (3) Open space designated as such on the Company's Master Development Plan or subdivision plats recorded in the Register of Mesne Conveyance, Charleston County, South Carolina.

- (a) As Restricted Common Properties. There shall be conveyed to the Association without charge and the Association shall accept title to all properties designated by the Company for the exclusive common use and enjoyment of Owners and tenants of Residential Lots and Family Dwelling Units, their immediate families, guests accompanying such Owners, and the Company.

ARTICLE V

Covenants for Assessments and Reserve Funds

Section 1: Creation of the Lien and Personal Obligations of Assessments

The Company covenants, and each Owner of any Residential Lot, Family Dwelling Unit, Multiple Family Tract, Public and Commercial Site, Public and Commercial Unit, Development Unit Parcel, or Unsubdivided Land, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to all the terms and provisions of this Declaration and pay to the Association (1) Annual Assessments or charges, and (2) Special Assessments or charges for the purposes set forth in this Article, such assessments to be fixed, established and collected from time to time as hereinafter provided. The Annual and Special Assessments together with such Delinquent Payment Fees thereon and costs of collection therefor as hereinafter provided, shall be a charge as continuing lien on the real property and improvements thereon against which each such assessment is made. Each such assessment, together with such Delinquent Payment Fees thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of such real property at the time when the assessment first became due and payable. In the case of co-ownership of a Residential Lot, Family Dwelling Unit, Multiple Family Tract, Public and Commercial Site, Public and Commercial Unit, Development Unit Parcel, or any Unsubdivided Land, all of such co-owners shall be jointly and severally liable for the entire amount of the assessment. (as amended 5-28-1981)

Section 2: Purposes of Assessments

The Annual Assessments levied by the Association shall be used exclusively for the improvement, maintenance, enhancement, enlargement, and operation of the Common Properties and Restricted Common Properties, and Purchased Common Properties, and to provide services which the Association is authorized to provide. In carrying out these duties, the Association may expend funds derived from assessments to make payments of principal and interest as consideration for the conveyance by the Company to the Association of Purchased Common Properties.

Section 3: Application of "Maximum" Annual Assessment

The Annual Assessment, as set forth in the schedule hereinbelow, and as is annually increased pursuant to the provisions of subparagraph (h) below, shall be levied by the Association. If, however, the Board of the Association, by majority vote, determines that the important and essential functions of the Association may be properly funded by an assessment less than the Maximum set out below, it may levy such lesser assessment. Provided, however, so long as the Company is engaged in the development of properties which are subject to the terms of this Declaration, the Association may not reduce assessments below those set out in Section 3 (a) immediately below without the written consent of the Company. The levy of an assessment less than the Maximum Annual Assessment in one year shall not affect the Board's right to levy the Maximum Annual Assessment in subsequent years. If the Board of Directors shall levy less than the Maximum Annual Assessment for any assessment year and thereafter, during such assessment year, determine that the important and essential functions of the Association cannot be funded by such lesser assessment, the Board may, by majority vote, levy a Supplemental Annual Assessment. In no event shall the sum of the initial and supplemental Annual Assessment for that year exceed the applicable Maximum Annual Assessments.

If the Board of the Association, by majority vote, determines that the important and essential functions of the Association will not be properly funded in any year by the Maximum Annual Assessment, it may call a Referendum requesting approval of a specified increase in such assessment. Should at least two-thirds (2/3%) of the votes cast in such Referendum be in favor of such Referendum, the proposed increased assessment shall be levied. An increase in assessments in any year pursuant to a Referendum taken shall in no way affect assessments for subsequent years.

- (a) The Maximum Annual Assessment shall be the sum calculated in accordance with the following schedule as may be increased in each instance by an inflation adjuster as set forth in this Article V, Section 3 (h) hereinbelow.

Property Type	Maximum Annual Assessment
Residential Lots	\$125.00
Family Dwelling Units	\$250.00
Public and Commercial Units	\$0.15 per square foot
Unsubdivided Land, Multiple Family Tracts, Public and Commercial Sites, and Development Unit Parcels	\$50.00 per acre

- (b) Property shall not be classified for purposes of these covenants and these Annual Assessments as a Residential Lot, until the first day of the quarter of the year after all of the following have occurred:
 1. Making of record a plat showing such Residential Lot;
 2. Approval by the Office of Interstate Land Sales Registration or successor agencies permitting such Residential Lot to be offered for sale; and
 3. The lot has been conveyed by the Company to a Purchaser.
- (c) For the purposes of calculating the Annual Assessments on Public and Commercial Units, the area to be included in the determination of the total number of square feet shall be all interior areas within the roof line of a building including open porches but excluding terraces and like areas.

- (d) The Annual Assessment on unimproved land shall be billed quarterly commencing on the first day of January of each year. All other property shall be billed annually in January of each year. All assessment bills shall be due and payable thirty (30) days from the date of mailing the same. The Board of Directors may allow monthly or quarterly installment payments of Annual Assessments on improved property.
- (e) The Owner of any assessable property which changes from one category to another during an assessment year shall be billed an additional amount for the remaining full quarters of such year to reflect the category change.
- (f) For purposes of these assessments and voting rights hereunder, a property will be classed as unimproved land, and not as a Family Dwelling Unit or Public or Commercial Unit, until such time as construction of such Unit has occurred, and assessment at the improved property rate shall be prorated for the remainder of the full quarters of the year and billed that amount on the first day of the next full quarter.
- (g) All assessments charged by the Association shall be rounded off to the nearest dollar.
- (h) From and after January 1, 1977, the Maximum Annual Assessment shall be increased each year by the Board of Directors of the Association by five (5%) per cent per year over the previous year, or by the percentage increase between the first month and the last month on an annual assessment period in the Consumer Price Index for All Urban Consumers, (1967 = 100) (hereafter "C.P.I."), issued by the U.S. Bureau of Labor Statistics, whichever of these two percentage figures is larger. However, the Board of Directors may suspend such automatic increase for any one (1) year at its own discretion.

In the event that the C.P.I. referred to above shall be discontinued, then there shall be used the most similar index published by the United States Government that may be procured indicating changes in the cost of living.

- (i) Any increase or decrease in the fixed amount of the Maximum Annual Assessment shall be made in such a manner that the proportionate increase in such assessment is the same for Owners of Residential Lots, Family Dwelling Units, Multiple Family Tracts, Public and Commercial Sites, Public and Commercial Units, Development Units Parcels, or Unsubdivided Land.

Any time the actual assessment levied by the Board of Directors of the Association is less than the Maximum Annual Assessment such decrease shall be proportionate among the Owners of Residential Lots, Family Dwelling Units, Multiple Family Tracts, Public and Commercial Sites, Public and Commercial Units, Development Unit Parcels, and Unsubdivided Land. The decrease or increase received by each class of Owners of the various classes of property may be made disproportionately only by the favorable vote of at least seventy-five (75%) percent of the votes cast at a duly called meeting of the Association, subject to the quorum requirements established by Article III, Section 6 hereof, and by at least seventy-five (75%) percent of the votes cast at said meeting by the Members of the classes whose proportionate share is being raised or decreased proportionately less than that of Members of other classes.

Section 4: Special Assessments for Improvements and Additions

In addition to the Annual Assessments authorized by Section 3 hereof, the Association may levy Special Assessments, for the following purposes:

- (a) Construction or reconstruction, repair or replacement of capital improvements upon the Common Properties, Restricted Common Properties, and Purchased Common Properties, including the necessary fixtures and personal property related thereto;
- (b) For additions to the Common Properties, Restricted Common Properties, and Purchased Common Properties;
- (c) To provide for the necessary facilities and equipment to offer the services authorized herein;
- (d) To repay any loan made to the Association to enable it to perform the duties and functions authorized herein.

Such assessment before being charged must have received the assent of a majority of the votes of the Members responding to a mail Referendum within thirty (30) days of mailing. The mail Referendum shall include one statement from the Directors favoring the Special Assessment and one statement from any Directors opposing the Special Assessment containing the reasons for those Directors' support and opposition for the assessment. Neither statement shall exceed five pages in length.

This provision shall be interpreted to mean that the Association may make in any one year an Annual Assessment up to the Maximum set forth in Section 3 of this Article plus one or more additional Special Assessments. Such Special Assessments in any one year may not exceed a sum equal to the amount of the Maximum Annual Assessment for such year except for emergency or other repairs required as a result of storm, fire, natural disaster or other casualty loss. The fact that the Association has made an Annual Assessment for an amount up to the permitted Maximum shall not affect its right to make Special Assessments during the year.

The proportion of each Special Assessment to be paid by the Owners of the various classifications of assessable property shall be equal to the proportion of the Annual Assessments made for the assessment year during which such Special Assessments are approved by the Members.

Section 5: Segment Assessments and Amenity Assessments

- (a) Segment Assessments. In addition to the Annual Assessments and Special Assessments authorized in Sections 3 and 4 of this Article, the Board of Directors of the Association is hereby empowered to levy assessments to be used for the benefit and/or operation of a particular portion or segment of Kiawah Island, the payment of which assessment shall be borne by the Owners with such segment only; such assessment being herein referred to as "Segment Assessments". A Segment Assessment can only be levied by the Board of Directors of the Association after a determination that the affected segment of the Island has such need of a particular addition or improvement as would justify the expenditure therefor by the Owners who would be assessed and who would enjoy the benefits of such improvement or addition and/or the operation thereof. In cases where such a determination is made by the said Board, the levy of the applicable Segment Assessment by the Board of Directors of the Association shall be final and not subject to approval by either the whole body of Members or by those Members who would be subject to the assessment. Any one Segment Assessment may not exceed a sum equal to one-half of the amount of the Maximum Annual Assessment in any one assessment year. The proportion of each Segment Assessment to be paid by the affected Owners of the various classifications of assessable property shall be in proportion to the payment of Annual Assessments. *(as amended 5-31-1984)*

If a Segment Assessment is made for an improvement or addition which requires a continuing assessment for maintenance and/or operational costs, then those Owners subject to the levy of the Segment Assessment may discontinue and abolish such Segment Assessment if such Owners so vote in

a Referendum held during the second or any subsequent year of such a continuing Segment Assessment. Should any costs result from the removal of any addition or improvement where a particular Segment Assessment is discontinued, such costs shall be funded by the Segment Assessment before its discontinuance.

- (b) Amenity Assessments. In addition to all other assessments authorized herein, the Board of Directors is empowered to levy Amenity Assessments as provided in Article IV, Section 5 hereof. An Amenity Assessment may be discontinued or abolished if (i) the Type "A" Members so vote in a Referendum, and (ii) the Board of Directors so approve. *(as amended 5-31-1984)*

Section 6: Reserve Funds

- (a) The Association may establish reserve funds from its Annual Assessments and/or the Contribution to Reserves Fees as described in subsection (b) below, to be held in reserve in an interest bearing account or otherwise invested, as a reserve fund to be spent for any purpose of the Association that qualifies as being exempt from taxation under the provisions of the Internal Revenue Code of the United States dealing with property owners' associations. Such funds shall not be spent on Association operations. *(as amended 6-1-07)*
- (b) Upon each transfer (as hereinafter defined) of any property subject both to the terms of these Covenants and the jurisdiction of the Association, the Association shall be paid a contribution to reserves fee ("Contribution to Reserves Fee") equal to the amount of the Association's Annual Assessment for such property for calendar year 1994. *(as amended 6-1-1994)*

From and after June 1, 2000, upon each transfer (as hereinafter defined) of any property subject both to the terms of these Covenants and the jurisdiction of the Association, the Association shall be paid a Contribution to Reserves Fee equal to .50 percent (.0050) of the gross purchase price for such property. In no event shall the Contribution to Reserves Fee due upon property that is not exempt under subsection (g) herein be less than the amount of the Association's current Annual Assessment for such property. *(as amended 6-1-2006)*

Up to 15% of the Contribution To Reserves Fee collected by the Association on an annual basis shall be available for use to cover the costs for the administration and management of the Contribution To Reserves Fees program. *(as amended 6-1-1997)*.

The Association may require the grantor and/or grantee of the property or interest therein which is transferred to provide the Association with copies of documentation associated with the transfer, such as a copy of an executed closing statement, the applicable contract of sale and/or the deed or other instrument evidencing the transfer, and may further require the grantor and/or the grantee to provide an original affidavit signed under oath under penalty of perjury attesting to the gross purchase price or other consideration for the transfer. *(as amended 6-1-1997)*

- (c) For purposes of these Covenants, the aforesaid Contribution To Reserves Fee shall not be considered an Annual Assessment, Special Assessment, Segment Assessment, Amenity Assessment or any form of assessment and shall be specifically excluded from all calculations related thereto. *(as amended 6-1-1994)*
- (d) For purposes hereof a "transfer" shall be deemed to occur upon the execution of a deed, instrument or other similar writing whereby any property or an interest therein, is sold, granted, conveyed or otherwise transferred.

The Contribution to Reserves Fee shall be paid to the Association at, or prior to, the time the deed, instrument or other document evidencing the transfer of the property, or an interest therein, is recorded

in the RMC Office for Charleston County, South Carolina, but in no event no later than thirty (30) days after the date said deed, instrument or other document evidencing the transfer, is recorded in Charleston County, South Carolina. *(as amended 6-1-1994)*

- (e) Payment of the Contribution To Reserves Fee shall be the liability of the purchaser or grantee of the property. In the event there is more than one grantee, all of such grantees shall be jointly and severally liable for the Contribution to Reserves Fee. Any agreement between the grantee and the grantor or any other person with regard to the allocation of the responsibility of the payment of said fee shall not affect the liability of the grantee thereof to the Association. *(as amended 6-1-1994)*
- (f) The above described Contribution To Reserves Fee shall not apply to the following or applicable portion of:
 - (1) A transfer effected pursuant to a court order; or
 - (2) A transfer when the grantee of such property is the United States of America or State of South Carolina or any of their political subdivisions or departments and such grantee is to utilize the property for a public purpose; or
 - (3) A transfer which, without additional consideration, confirms, corrects, modifies or supplements a transfer previously made; or
 - (4) A transfer made with or without consideration, if the transferee shall have been at the time of transfer:
